# Class Reunion

Nothing could be more fun than to get together with all your old high school friends, heartthrobs and rivals after so many years, even if some of the characters seem to remember you a lot better than you remember them. It's strange and hilarious how some of those old stereotypical high school archetypes just never seem to grow up. Mixing and mingling, reminiscing about old times, maybe glimpsing a rekindled flicker of an old flame, it just doesn't get any better than that.....unless of course, there's a murder (Gasp!) and the whole class has to figure out who did the crime! Undoubtedly the most fun since you graduated high school.
